

<Corporate Philosophy (Our mission)>

More sporting opportunities

<Quality Policy>

We, wundou, aim to continuously improve customer satisfaction by efficiently producing and providing reliable, high-quality products.

1. To understand customers' demands, provide high-quality, high-valued items and to deal with sincerity and truthfulness.
2. All employees to hold responsibility and willingness to improve quality.
3. To focus on improving the company training program and our profession on sportswear manufacturing
4. To continue quality activities and through the growth and expansion of our company contribute to society
5. To carry out inspections to ensure that standards are being met, and implement continuous improvements in the eventuality that problems arise.
6. We, wundou, vow to obey and respect the rules and laws regarding our business

<Expression of Determination>

We, wundou, will continuously endeavor to put our quality policy into action, by setting an annual target to achieve. To assure that these actions go according to plan, we will provide all the necessary materials and documents needed. In addition, as a company we will uphold the importance of fulfilling customers' requirements and legal requirements. As a director of our company, I will see to it that the quality policy be put into action and if necessary improve on areas requiring improvements.
